

REGISTRATION FOR ON-LINE SERVICES

If you would like to sign up for Springwood Surgery's on-line services please complete this form with your details and give it to a member of our reception team together with **one proof of identification**. Once we have completed the registration process you will be given unique login details enabling you to access the on-line services. You do not need to provide an email address to use the on-line services, however, provision of an email address greatly simplifies the registration and maintenance processes.

Name Date of birth / /

Address

..... Postcode

Home telephone Mobile telephone

I do/do not* consent to receiving SMS text messages from the surgery to my mobile telephone (*please delete as appropriate)

Email address

By providing your email address you are consenting to receive information from the surgery to your email address. Only consent to receiving emails if you do not share your email address/account with another adult and regularly check your email inbox for new messages. You will receive an initial message requesting verification of your email account.
