

Will you be a Patient Forum Member?

Springwood Surgery has a very pro-active Patient Group. We meet on a Wednesday afternoon at 4.30 pm every 6 weeks. We are keen to expand the patient forum but know that this time is not convenient for everyone so we plan to develop a list of patients who we can contact periodically by email or post to ask their opinion on specific issues relating to the services offered by the practice.

If you would be interested in being part of this group please fill in the details below and hand the form in at reception.

Name

Contact details: We would prefer to contact you by email, however if you do not have this facility please give your postal address.

Email address.....

Post address.....
